Application for patent of

Mr. Ellertson's claims as to residence and cultivation performed on his homestead the above described land as shown on form 58 hereunder appear entirely satisfactory.

Your attention however, is drawn to his declaration of the 17th May, 1914, at which time he claimed only the residence and cultivation shown in pencil on form 58.

As the cultivation then claimed, namely 30 acres of breaking and 20 acres of cropping, and the residence added to the residence since performed meets the requirements of the Department, I presume application might be accepted.

I think he should explain why he now claims continuous residence & cultivation & duties claimed are wrongly set out on form V-8 9773

Application for patent made,

MEMORANDUM:

MR. HUME. -

Mr. Ellertson made application for patent claiming residence and improvements as set forth in black on form 58 marked.

According to this Office, duties have been completed, but on checking up the evidence on file it was noted that in a declaration dated the 27th of May, 1914, he only claims residence from:

1st September, 1912 to 1st November, 1912.
1st May, 1913 to 20th December, 1913.
1st March, 1914 to the date of statement,

with only 20 acres broken and 20 in crop.

When this application was received, it was submitted and instructions were to obtain from the homesteader an explanation why he now claims continuous residence.

A communication has now been received from the homesteader wherein he states that he has been in continuous residence since September 4, 1912, and that his statutory declaration in May, 1914, a mistake occurred in the same as it was filled out by a party for him, and it should have read "continuous residence."

Kindly say whether you will now accept this application for patent as satisfactory.

According to your letter of January last you were apparently unable to meet your seed grain account due this Department since 1915.

It is presumed - in view of the fact that the crops were more profitable this year - that a substantial payment will be made towards the liquidation of your account, which stands as follows:-

Dominion Advances

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 5368, dated October 25,1949, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs, numbered 11,1[illegible], APPROVES the settlement outlined therein and DIRECTS THAT BE RECOMMENDED:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Three Hundred dollars ($300.00) to the credit of the Dominion Advances, the debt will be paid.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

DOMINION MEMBER, Seed Grain and Relief Adjustment Board.

Dear Sir: Re: John Ellertson

Dominion Advances

The above party obtained the following Dominion Advances giving as security liens on the title to the above land.

Relief - October 1915	$ 81.75
Seed Grain 1915	144.15
	225.90
Interest to March 31st,1953	426.67
	652.17

The debtor in this case is deceased and the administrator of the estate has approached this office through his solicitor with a view to arranging settlement of this debt.

The solicitor has submitted the sum of Three hundred dollars ($300.00) as settlement in full of the indebtedness presently outstanding.

This land is located in that part of the Province designated "Special Areas" and is a township where awards under the Prairie Farm Assistance Act have been granted in ten of the past thirteen years. This parcel cannot be considered of any great value and is assessed for taxation purposes at four hundred dollars ($400.00).

The beneficiaries of the deceased debtor are a brother and sister both of whom are in rather straitened circumstances. The sister is a married woman residing in the United States of America. While the brother, a resident of this province is living on his old age pension.

The revenue which could be derived from this land on a rental basis would be very meagre and the beneficiaries are desirous of disposing of same by sale in order to arrange final settlement of the estate.

Cont'd p.2.

In view of the circumstances outlined herein it is my opinion that this offer for settlement should be accepted and I would so recommend. It is my further recommendation that after application of these monies the account be so adjusted that the indebtedness will be paid in full.

Yours very truly.

Re: Account of Chas. Abbott
N.W. 34-31-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $337.60 was advanced to Chas. Abbott on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 337.60	$ 773.51	$ 1,111.11

The N.W. 34-31-7-W4 was formerly the homestead entry of Chas. Abbott on which security he obtained advances of seed grain in 1919 and 1920. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 12th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated Crown land which according to our records is vacant at present. This parcel is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

RE SEED GRAIN

Sir:-

In reply to enquiry regarding seed grain, I have to inform you that it is hoped that settlers will be able to provide themselves with seed this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 150 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of this Department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the liens and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from this office, accompanied by liens. The party to whom this order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in duplicate, and send same immediately to this office. After all papers so received are found to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misrepresentation will be severely delt with.

Enclosed please find application blank.

Sir,

S.W.¼ 6-15-2-W.4th M.
Pre-emption - John F. Thatcher.

Referring to the sworn statement you have made in defence of the cancellation proceedings outstanding against your pre-emption entry for the quarter section above described, I beg to inform you that according to the evidence furnished in your application for patent for your homestead, the North West quarter of Section 6, Township 15, Range 2, West of the 4th Meridian, you performed three full terms of residence with your father on the West half of Section 7, Township 15, Range 2, West of the 4th Meridian, and a further three terms of residence on your homestead. Therefore, you would appear to have satisfied the requirements of your pre-emption entry with regard to residence duties. According to the statement you have made you will have completed the cultivation duties when you have placed under crop next season a reasonable proportion of the land already broken, and you would then appear to be in a position to make a successful application for patent.

Under the circumstances the cancellation proceedings will be held over until the 15th June next in order to give you an opportunity of completing your cultivation duties and make application for patent. Should you find when making application for patent that you are not in a position to pay for your pre-emption, you may apply through the Agent of Dominion Lands for a Certificate of Recommendation which will entitle you to mortgage, assign or transfer the land and thereby raise sufficient funds to complete payment and obtain patent for the land.

Your obedient servant,

Assistant Secretary.

If you have complied with the instructions contained in the Departmental communication above referred to, you and your witnesses should appear before the Agent of Dominion Lands at Lethbridge or a Sub-Agent for the district and make application for patent on the proper form.

MEMORANDUM:

Mr. Hume.

S.W.¼ 6-15-2-W.4th Meridian,
Pre-emption - John F. Thatcher,
Date of entry - 8th April, 1910,
Homestead patented 26th December, 1918.

Mr. Thatcher has not yet made application for patent for his pre-emption.

Cancellation proceedings were commenced against the pre-emption entry on the 29th November, 1920, because of the pre-emptor's failure to apply for patent.

Mr. Thatcher has not paid anything on the purchase price or accrued interest.

He was asked, on the 23rd November, 1923, to report to the Agent of Dominion Lands at Lethbridge within thirty days what his intentions were with respect to making application for patent. He has not replied. It would appear from evidence at hand that the settlement duties have been completed.

Kindly advise whether Mr. Thatcher should be allowed a final notice to appear with his witnesses for the purpose of making application for patent.

Thatcher's chattels. It is stated that this party has left for India with his two sons and has therefore permanently left the land for good.

On investigating the title to this land, it is noted that a caveat was lodged against the same in 1922 by the Department of Municipal Affairs, pending under the Tax Recovery Act. No further statements will therefore issue until such time as a change in the title may take place.

August 26th, 1930.

E. J. Fream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir,

Re: Wm. H. Thatcher Dominion & Provincial Liens;
John F. Thatcher Provincial Liens;
S.W.¼ 7-15-2-W4 - Patented Homestead;
N.W.¼ 7-15-2-W4 - Cancelled Pre-emption;
AMENDING BOARD ORDER NO. 2617

Under date of March 7th, 1930, I submitted a recommendation in regard to an adjustment of Wm. H. Thatcher's indebtedness to the Dominion and Provincial Governments in as far as it affected the N.W.¼ 7-15-2-W4th. Board Order 2617 was issued endorsing my recommendation.

It has since been brought to my attention that a certain discrepancy occurred in the listing of the Provincial Government indebtedness, and for that reason I wish to recall my recommendation under Board Order No. 2617, and to submit in lieu thereof the following recommendation in respect of this account.

Wm. H. Thatcher obtained the undermentioned Seed Grain advances from the Department of the Interior:-

1920	$252.00	
1922	98.58	$350.58

He has made no repayment and his indebtedness including interest to March 31st, 1930, amounts to $579.28. He obtained these advances on the security of his pre-emption the N.W.¼ 7-15-2-W4th.

He received a certain Seed Grain advance from the Provincial Government and gave as security for this advance the N.W.¼-7-15-2-W4th. In as much as his pre-emption entry for this land has been cancelled, the property no longer furnishes security for the Provincial Seed Grain advance.

John F. Thatcher was the owner of the N.W.¼ 6 -15-2-W4th, and he obtained ~~x~~ Seed Grain and Relief advances from the Provincial Government which were registered against title to his land. In 1919 he obtained a Relief advance in the sum of $123.28 under date of November 13th. This lien evidently through error in completing the lien form was charged against the W.½ 7. It appears registered on title to the S.W.¼ 7 as Instrument No. 6843 C.Y.

The Department of the Interior inform me that their records show this lien as having been given on the security of the W.½ 6, but the registration and the original lien on file in the Provincial records show this lien to have been made against the W.½ 7.

It is therefore considered advisable to treat with this lien in as far as it affects the N.W.¼ 7, which is Wm. H. Thatcher's cancelled pre-emption. The N.W.7-15-2-4 was cancelled on October 30, 1926, and on December 14, 1928, R. C. Smith of Medicine Hat, Alberta, obtained entry for the land as a homestead, and executed the customary agreement to assume liability for the Seed Grain and Relief indebtedness charged against the property, subject to adjustment.

I am informed that the nature of the soil is clay-loam; that there are no improvements thereon; that the cultivation has reverted to weeds, and that there are 95 acres of agricultural land, but that the balance is rough and stony. As it is situated in a very dry district, the value of the land cannot be high, and I am of the opinion that if the new entrant is required to make any payment on account of the Seed Grain indebtedness he will in all probability abandon his entry.

I therefore recommend that no portion of the Dominion Seed Grain indebtedness of Wm. H. Thatcher be held against the N.W.¼ 7, nor any part of the John F. Thatcher Relief indebtedness to the Provincial Government. No further recommendation may be made at this time with respect to the John F. Thatcher lien for $123.28 because of the fact that this lien is included under the John F. Thatcher account for which security exists in the N.W.¼ 6-15-2-W4th.

The Wm. H. Thatcher account in respect of his indebtedness to the Provincial Government appears as hereunder:-

SEED GRAIN:

Lien 1026, Mar. 27, 1918, (S.W.)	$214.00		
1661, Mar. 27, 1919, (W½)	286.50		
5161, Apr. 6, 1920, (S.W.)	224.98		
Bank charges,	85.15	$810.63	
Interest to Aug. 31, 1929,		443.34	$1253.97

RELIEF:

Lien 3535, Apr. 6, 1920, (S.W.)	$141.95	
Interest to Aug. 31, 1929,	93.43	$ 235.38
		$1489.35

As will be noted in the account above listed, security for these advances was registered against title to the S.W.¼ 7-15-2-W4th, but all the liens were registered subsequent to a mortgage registered by the Home Investment and Savings Association on November 3rd, 1917. This mortgage was foreclosed and all the lien security was eliminated; clear title still appears in the name of the mortgagees.

The Department of the Interior files produced the information that Wm. H. Thatcher lost all his stock and equipment and was expected to become an indigent charge on the province. There is no hope entertained of collecting any part of this account from him by reason of his personal covenant. The land security has been lost and I would recommend that his indebtedness to the Provincial Government as herein listed be written off as uncollectible. It is further recommended that the Wm. H. Thatcher indebtedness to the Dominion Government be written off as uncollectible.

Yours truly,

W. Moore

DIRECTOR.

The Board further presumes that any joint relief items, charged against the [illegible] 4th Ward, for advances made to John F. Thatcher, be retained as a charge against this matter pending until a [illegible] recommendation is submitted.

[illegible]

[illegible]

In substitution of Board Order No. 2617, the Tax Consolidation Board, hereby recommends that the liens charged against the W. ½ 7-15-2-W. 4th Mer., for advances made to Wm. E. Thatcher and to John F. Thatcher, be discharged, but that the liens charged against the W.½, 6-15-2-W. 4th Mer., for advances made to John F. Thatcher, be retained as a charge against this quarter section until a further recommendation is submitted.

The Board submits in support of this recommendation,-

1. That it has now been reported to the Board that a discrepancy occurred in the listing of the Provincial indebtedness dealt with under Board Order No. 2617, and it is desirable that said Order be withdrawn, and that this Order be accepted in lieu thereof.

2. That at the time the advances were made the debtor was interested in the W. ½ 7-15-2-W. 4th Mer.

3. That the interest of the debtor Wm. E. Thatcher in the W.½, 7-15-2-W. 4th Mer., was subject to a first mortgage in favor of the Home Investment and Savings Association.

4. That the Mortgagees foreclosed upon their security and are now registered owners of said land, clear of all encumbrances.

5. That the debtor Wm. E. Thatcher held pre-emption entry to the N.W.¼, 7-15-2-W. 4th Mer., and that such entry was cancelled.

6. That in the year 1928, H. C. Smith secured homestead entry to this quarter section, and agreed to assume the liability charged against same subject to adjustment.

7. That it has been reported to the Board that the land is situate in a very poor district, and has a low value and it is not desirable that the present entrant be discouraged by retaining him to assume any portion of the liability of the original debtor.

8. That it is understood that joint relief liens, for advances made to John F. Thatcher are charged against the W.½, 6-15-2-W. 4th Mer., title to which has now passed to the Department of Municipal Affairs, under Tax Recovery Proceedings, and it is desirable that such liens only remain as a charge against this quarter section until a further recommendation is submitted.

9. That there is no probability of making any collection from the debtors under their personal covenants.

The Board therefore recommends that all liens charged against the W. ½, 7-15-2-W. 4th Mer., be unconditionally discharged, and the total amount paid thereon be written off as uncollectible.

The Board...

7. That it has been reported to the Board that the land is situate in a very poor District, and has a low value and it is not desirable that the present entrant be handicapped by requiring him to assume any portion of the liability of the original debtor.

8. That it is understood that Joint Relief Liens, for advances made to John F. Thatcher are charged against the N.W.¼, 6-15-2-W. 4th Mer., title to which has now passed to the Department of Municipal Affairs, under Tax Recovery Proceedings, and it is desirable that such liens only remain as a charge against this quarter section until a further recommendation is submitted.

9. That there is no possibility of making any collection from the debtors under their personal covenants.

The Board therefore recommends that all liens charged against the W. ½, 7-15-2-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board further recommends that any Joint Relief Liens, charged against the N.W.¼, 6-15-2-W. 4th Mer., for advances made to John F. Thatcher, be retained as a charge against this quarter section until a further recommendation is submitted.

Dear Sir:

Re: John S. Chatoker.
M 6-15-2-4, M 7-15-2-4.
Joint Seller Advances.
Supplementary to Board Order 3465.

The joint seller advances obtained by the above Arts were dealt with in the Board Order noted from which it will be observed that security represented by liens registered on the M 7-15-2-4 was removed by foreclosure action and the Board Order provided that the M 7-15-2-4 be released from any charge in this connection.

The only remaining security now then represented by liens on the M 6-15-2-4 title to which was taken by the Department under the provisions of the Tax Recovery Act. It was pointed out that the debtor himself could not be expected to make any payment and instructions were issued that the account be retained as a charge against the M 6-15-2-4 pending disposition of this property by the Department.

The M 6-15-2-4 is situated in a part of the Province which at one time was included in the special areas where drought conditions are very prevalent. Due to the climatic conditions very little demand exists for land in this territory and no sale materialized of this property which is now under the jurisdiction of the Department of Lands and Mines. The policy of that Department is to hold such land available for lease only and due to its location only a nominal sum is received from rentals insufficient to more than provide for the services which must necessarily be supplied the few remaining residents.

As there is now no possibility of making any recovery on this account either from the security or under the personal covenant I would advise that the balance outstanding be written off and the liens released.

Provincial Seed Grain advances of One thousand, three hundred

Re: Account of John F. Thatcher
N.W. 6-15-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $276.25 was advanced to John F. Thatcher on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 276.25	$ 469.09	$ 745.34

Patent was issued in the name of John F. Thatcher for the N.W. 6-15-2-W4 on the 26th of December 1918, and there is no record of the lien having ever been registered against the land.

Title to the land is no longer in the name of the debtor. His whereabouts is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

Dear sir,

#2116096

I am in receipt of your letter of the 21st. inst. and cannot help express my surprise at its contents. I remember, as though it were fifteen minutes ago, distinctly attaching the receipt that we obtained from Mr. Shook and cannot understand what could have become of it. I am certain that I would hesitate in declaring to that effect. Had the document been put in another envelope by mistake it would have been returned to me long before now and anyway I am so certain it is useless to dwell on the subject. The thing now is what can be done? An early reply will oblige.

Yours of the 21st.ult.merely said that the receipt given by Mr.Shook for fencing was not attached but you failed to mention the fact that the receipt from the Land office here to Mr. Shook, however, was attached. This is the recipt I had reference to and the document we thought would be sufficient evidence that Mr.Shook had received value. Re S.W.¼ 32-15-4-W.4th M.

I beg to acknowledge the receipt of the statement which you made recently in defence of your pre-emption entry for the above described quarter section, against which cancellation proceedings are pending, and in reply would say that as you appear to have performed no settlement duties since October, 1914, your entry is in serious default and, therefore, liable to summary cancellation.

Under the circumstances, a period of thirty days from this date will be granted you within which to show cause why the law should not be allowed to take its course. If you desire to retain the land, it would be advisable for you to state your intentions for the future.

Mr. Hume.

Re S.W. 36-16-4-W.4th M.
Pre-emption - Levi Switzer.
Entry granted April, 1914.

Information against Settlement proceedings were this entry on the 17th September last.

The entrant filed a petition dated from the evidence submitted in this connection at present for him to establish the defence therein set, it appears that further work has been performed in connection with this entry as set forth on form 46, hereunder.

Apparently 3 years' residence and 3 years' cultivation have been completed and approximately 160 acres cultivated. The entrant was given a period of 60 days from the 16th November, and as nothing has been heard from him he was again communicated with on the 16th recently last, but failed to respond and a Homestead Inspector was requested to report as to the duties performed.

Switzer reported:- On the 7th ultimo Homestead Inspector

Residence- "Not in residence.
"Gone since Dec. 1st, 1916.

Cultivation- "Broke 35 acres.

Nature of soil- "Clay loam.

Subsoil - "Clay.

Area fit for cultivation - "All.

Crops- "Entrant has been away from this
"since fall of 1914. Fencing all
"to stock to make a Weed."

As the entrant has been absent from the land since 1914 and nothing has been done in the way of cultivation since that year I would recommend that he be given 60 days to do the cultivation on the land, failing which cancellation proceedings be taken.

Homestead - Elder Edward Draudson.
Agency File No. 100419.

Referring to the report of Homestead Inspector Bowyer of the 22nd July last, I am to instruct you to institute cancellation proceedings against the homestead entry of Elder Edward Draudson for the quarter-section above mentioned, under the provisions of Section 26 of the Dominion Lands Act for failure to make application for patent within five years from date of entry, 13th August, 1918.

In the absence of a defence there is apparently no reason why cancellation of the entry should not be carried out and unless you come into possession of further information in the meantime the land may be disposed of in the usual way, subject to the seed grain indebtedness.

J. M. ROBERTS

Re: Account of Elder E. Draudson
S.W. 32-15-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1921 seed grain amounting to $85.00 was advanced to Elder E. Draudson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 85.00	$ 183.87	$ 268.87

The S.W. 32-15-4-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 2nd of April 1925 and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 29th of April 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I am in receipt of your letter of the 29th ultimo, and in reply would advise that the above described quarter section is included in Grazing Lease No. 32108. This lease issued for a term of twenty years, and expires on April 1st, 1964. It is not likely that this land will again be used for farming purposes.

The above land is situated outside of the homestead lease area."

As the land no longer offers any security of value and is such that it is unlikely to be used again for farming purposes, it is recommended that the indebtedness be cancelled.
